Volunteer Commitment

Thank you for your interest in the Lorenzen Cancer Foundation's Pancreatica Walks and Runs program. As a volunteer, you will play a critical role in helping us fulfill our mission and actively contribute to a good cause. As part of our volunteer program, you can help generate funds to raise awareness, increase education, and further cancer research.

We are grateful for your commitment. Throughout this fundraising event we may ask if you are in a position to help facilitate with the organization of the social events, advertising of the event, distribution of flyers and brochures, among many other tasks that may need attention to bring our events together. As a volunteer, you will receive no compensation from the Lorenzen Cancer Foundation. You are encouraged to raise funds as well as to help defray the costs of the program. If you raise the minimum level of funds designated, you will be eligible to win our token of appreciation prize offered to our volunteers. We thank you for your support.
